Program Overview

FIRST Canada will be partnering with Ontario FRC teams to run *FIRST* based week-long (5 hours per week) summer camps of their creation in their communities.

Program Goals

- Address the learning loss experienced by students due to the ongoing COVID-19 pandemic
- Inspire and reinvigorate students passion for STEM
- Excite students about learning and going back to school in the fall
- Focus on underserved and underrepresented students
- Provide funding to FRC teams to help support thei upcoming season

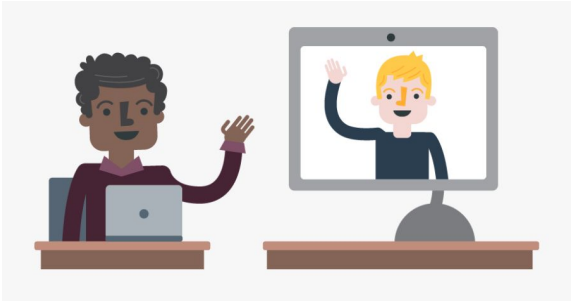
Definition of Underserved

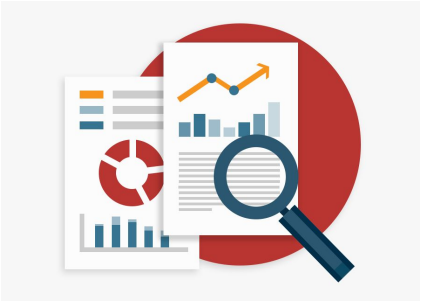
- Factors we're looking at include
  - Rurality
  - Economic Factors (e.g. Average After-Tax Income of Households, Prevalence of low income measure)
  - Immigration Data (e.g. % New Immigrants, % Refugees)
  - Underserved Demographic groups (e.g. % Indigenous, % Black, % Visible Minorities)
  - Education Data (e.g. % No Diploma, % Bachelor Degrees, % STEM Diploma & Degrees)

- We will be flexible! No rigid targets

Requirements

- Attend training session
- Manage registration, scheduling, and all camp logistics
- Curriculum/program relates back to *FIRST* and *FIRST* values
- Students in Grade 5-9
- Camp synopsis reports
- One week of camp = 5 hours, 10 students per session





FIRST CANADA

Deliverables

Synopsis Report

- Summary, Photos, Testimonials, Number of Students
  - Summary should include information about underserved students reached

Social media

- Use #FIRSTCanadaSummerCamps
- Tag *FIRST* Canada in posts

Provided Support & Resources

FIRST Canada will provide:

- A template for participant tracking sheets and reports.
- A *FIRST* based curriculum that FRC teams can use or build upon
  - Teams are free to and encouraged to use their own materials
- $1000 for each approved camp session
- Any team who runs at least four approved sessions gets an FTC Kit
